

Roaring Lion, Crouching Lion Cards

by Dr. Julie Knerr

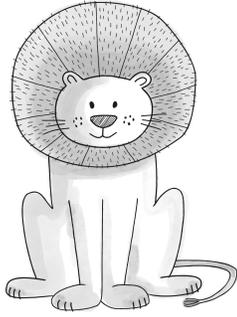

Download the cards on the next pages to use in teaching the Roaring Lion, Crouching Lion Improvisation.

First, put the cards in the order shown on the page of Roaring Lion, Crouching Lion.

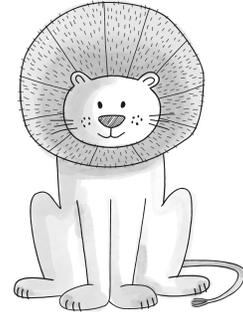

After playing them in this order, have the student create a new order with the cards. Play in that order.

Continue experimenting to find the best order. Not all cards need to be used for a successful improvisation.
